INDIAN CHAMBER OF FOOD AND AGRICULTURE

Global Conclave & Expo on Agri Tech

10-12 Feb 2026 | Parade Ground | Bangalore

**Reimagining Agriculture with Innovation, Technology
Integration and Impact**

@ f in x v | www.agtech.icfa.org.in

About AgTech World 2026

Agriculture has transformed in various ways from subsistence to affluence, from traditional to technological, from undefined to precise, and the pace has rapidly accelerated in the last one decade with the globalization and technological advancement.

Today, Agriculture stands at a crossroads. On one side lies the urgency to feed a growing global population amid climate stress and resource scarcity. On the other, an unprecedented opportunity exists to reshape how we grow food using the power of innovation, technology integration and global collaboration. AgTech World Conclave and Expo 2026 is born from this very intersection.

Set to take place from 10-12 February 2026, the conclave is not just another industry gathering but a movement, bringing innovators, industry, entrepreneurs, startups, practitioners and policy makers on one platform. A movement to reimagine agriculture not only as a means of livelihood but as a forward-looking, high-impact sector that holds the key to global sustainability and rural prosperity.

Hosted by the Indian Chamber of Food and Agriculture (ICFA), this global conclave and expo will serve as a meeting ground for those who believe agriculture can, and must, evolve—responsibly, inclusively, and boldly through the power of innovations and technologies, and policies and partnerships. What makes this platform different is its purpose-driven design. This is where the national priorities and global investment and partnerships unite to spark tangible progress.

From interactive sessions to technology showcasing, business collaborations to multi-stakeholder dialogues and award recognitions, every element of the conclave is designed with intention to spark transformation. And transformation through techie as innovator, farmer as the adopter, entrepreneur as the change agent, and governments as enablers of real-time change.

For India with its 2nd largest agriculture in the World, this is an opportunity to showcase its emerging leadership in agritech and digital technologies. For global partners, it's a chance to plug into one of the most dynamic and thriving agri-ecosystems in the world. For investors, this is where the next agri unicorns could be waiting. And for young innovators and researchers, this might just be the stage that changes everything.

AgTech World 2026 is not about predicting the future of agriculture. It's about advancing and building it together through cross-border collaboration, digital and biological innovation, and strategic dialogue and delivery.

Objectives

- Exchanging global best practices in digital technologies, agtech and biotech advances to enhance productivity and sustainability.
- Sharing successful case studies to strengthen institutional, and technical capabilities, and boosting agtech startups ecosystem.
- Fostering international cooperation and investment through multi-stakeholder engagement and partnerships.
- Showcasing innovations in agritech, including equipment, digital tools and technologies, AI and biotech solutions, and scalable models.
- Exploring joint ventures and investments, especially in climate-smart agriculture and infrastructure.
- Convening diverse stakeholders, including Governments to drive policy innovation, market integration, and inclusive agricultural growth.

Target Participants :

- Central and State Government Officials
- Policy Makers and Regulators
- Ministries of Agriculture, IT, Science & Technology, Food, Climate Change
- State Governments and Public Sector Undertakings
- Universities, R&D Labs, Design and Technology Institutions
- Agritech Manufacturers and Equipment Producers
- International Development Agencies and Diplomats
- Research Institutes, IITs, Engineering Colleges and Innovation Hubs
- Startups, Incubators, and BioAg Enterprises
- Companies in IT, AI, ML, IOT, Digital Agriculture, and Robotics
- Logistics, Cold Chain, and Post-Harvest Solution Providers
- Financial Institutions, Banks, NBFCs, and FinTech Companies
- VC/PE Firms, Venture Capitals and Impact Investors
- FPOs, Cooperatives, Agripreneurs and Agribusinesses
- Sustainability Experts and Advisory Services

What's in it For You

- Learn from evidence-based, scalable agritech and biotech solutions
- Facilitate international collaborations and policy benchmarking
- Gain visibility among global buyers, investors, and governments
- Showcase next-gen innovations in precision farming, AI, robotics, biotech
- Access pilot projects and enter global markets
- Engage with global experts, funders, and implementers
- Present research, demo innovations, and influence agendas
- Explore technology applications across diverse agro-climatic zones
- Discover investible innovations for smallholders farmers
- Design programs through bilateral and multilateral partnerships
- Engage with 100+ speakers, 200+ exhibitors, 20+ workshops
- Experience transformative solutions in real-world settings
- Co-create the Agritech Vision 2030 for global agriculture

SPECIAL ATTRACTIONS

Global Delegations & Regional Summits

Delegates from 50+ countries will participate in B2B, G2B, and multilateral sessions.

Special focus on Indo-regional partnerships in biotechnology and digital agriculture.

Expert Workshops

Free workshops for farmers, students, and startups—providing hands-on learning in digital tools, smart inputs, and agri-finance.

Agritech Excellence Awards

Celebrating innovations in digital agriculture, biotechnology, and sustainability across companies, startups, researchers, and social enterprises.

Networking & Matchmaking Lounge

AI-powered tools via the event app will facilitate curated matchmaking for partnerships, investments, and collaborations

Thematic Tracks

- Emerging Global Trends in Agritech
- Digital-Biotech Convergence
- Climate Resilience and Adaptive Tech
- Drones, Robotics, and Precision Farming
- Bio-Inputs, Blockchain and Traceability
- IT, AI, ML, IOT, and Big Data in Smart Agriculture
- Regenerative Agriculture & Sustainability
- Precision Agriculture Tools and Technologies
- Smart Water and Soil Management
- Cold Chains, Logistics, & Digital Marketplaces
- Export Readiness, Quality, and Compliance
- Human Capital Development for agritech
- Tech Empowerment for FPOs and Agri E-Commerce
- Agri Digital Inclusion and Climate Advisory Systems

Key Components

Global and National Conferences

International Partnership Summits

Global Expo and Innovation Pavilion

1

2

3

4

5

6

CEO Panels & Special Expert Talks

Sector-Specific Tech Workshops

Agritech Awards Ceremony

Expected Outcome

Farmers and Agricultural Communities

- Access to Advanced Technologies
- Improved Crop Yield and Farm Efficiency
- Better Access to Finance and Market Linkages
- Networking with Startups and tech Partners

AgriTech Startups and Innovators

- Innovations Showcasing Opportunity
- Investment Seeking Opportunities
- Strategic Collaborations and Partnerships
- Exposure to Global Markets and Players

Industry Leaders and Corporates

- New Business and Investment Opportunities
- Insights into Cutting-Edge Innovations
- Technology Collaborations and Acquisition
- Business and Marketing Alliances

Policy Makers and Governments

- Formulating Forward-Looking Policies
- Strengthened International Relations
- Building Support for Agri Development
- Public-Private Partnerships and Farm Services

Investors and Financial Institutions

- Access to Investment-ready Projects
- Market Insights and Future Trends
- Early Stage Venture Investment
- Assessing scalability and Best Bids

Researchers and Academics

- Networking and Exposure to Practical Applications
- Contributions to Policy and Knowledge Sharing
- Increased Research Funding and Collaborations
- Partnering with Promising AgTech Startups

Event Schedule

Day 1 : - Tuesday, 10th February 2026

1.	09:30 AM - 10:00 AM	Registration
2.	10:00 AM - 11:00 AM	Innaugural Ceremony
3.	11:00 AM - 11:30 AM	Networking Tea/Coffee
4.	11:30 AM - 12:30 PM	AgriTech in Transition : Global Trends Shaping the Future of Food & Farming
5.	12:30 PM - 01:30 PM	Precision Meets Production : The Rise of Smart, Scalable Farm Systems
6.	01:30 PM - 02:30 PM	Networking Lunch
7.	02:30 PM - 03:30 PM	Coding the Crops : The AI, ML & Data Revolution in Agriculture
8.	03:30 PM - 04:30 PM	Seeds of Disruption: Biotech, CRISPR & the Future of Crop Science
9.	04:30 PM - 05:00 PM	Networking Tea/Coffee
10.	05:00 PM - 06:00 PM	Cold Chains & Hot Markets : Reinventing Agri Logistics for Global Reach
11.	06:00 PM - 07:00 PM	Blockchain Roots : Enabling Trust, Traceability, and Transparency in Supply Chains
12.	07:00 PM Onwards	Networking Dinner

Day 2 : - Wednesday, 11th February 2026

1.	10:00 AM - 11:00 AM	Farming on a Hotter Planet : Climate-Smart Technologies & Strategies
2.	11:00 AM - 11:30 AM	Networking Tea/Coffee
3.	11:30 AM - 12:30 PM	Feeding Data, Not Just Fields : Satellite Intelligence & Remote Advisory Services
4.	12:30 PM - 01:30 PM	The Power of Platforms : Building Digital Ecosystems for Extension & Market Linkages
5.	01:30 PM - 02:30 PM	Networking Lunch
6.	02:30 PM - 03:30 PM	Green FinTech : Innovations in Credit, Insurance & Carbon Finance for Agriculture
7.	03:30 PM - 04:30 PM	The Water-Tech Imperative : Smart Irrigation, Monitoring & Aquifer Management

8.	04:30 PM - 05:00 PM	Networking Tea/Coffee
9.	05:00 PM - 06:00 PM	Smart Warehousing & Aggregation : Building Efficient Rural Nodes
10.	06:00 PM - 07:00 PM	Tech for the Collective : Empowering FPOs through Integrated Agritech Tools
11.	07:00 PM Onwards	Networking Dinner

Day 3 : - Thursday, 12th February 2026

1.	10:00 AM - 11:00 AM	Startup to Scale : Global Pathways for AgriTech Commercialization
2.	11:00 AM - 11:30 AM	Networking Tea/Coffee
3.	11:30 AM - 12:30 PM	Women Agripreneurs : Changing the World with their Innovations
4.	12:30 PM - 01:30 PM	From Pilot to Policy : Scaling AgriTech through Public-Private Innovation Models
5.	01:30 PM - 02:30 PM	Networking Lunch
6.	02:30 PM - 03:30 PM	Food Futures : The Convergence of Food Systems, Sustainability, and Digital Innovation
7.	03:30 PM - 04:30 PM	AgriTech Excellence Awards
8.	04:30 PM Onwards	Concluding Tea/Coffee

Sponsorship Opportunity

Be a catalyst for agricultural transformation by partnering with AgTech World – VISION 2040, a premier global conclave and expo driving the future of agritech. As a sponsor, you will stand at the forefront of innovation, sustainability, and inclusive growth—aligned with India's and the world's vision for a tech-enabled and climate-resilient agriculture sector

1. Principal Sponsor / Country Partner / State Partner (INR 50 Lacs + GST)

- Esteemed recognition as the Principal Sponsor/Country Partner / State Partner of the event
- Prominent brand visibility across all event collaterals and platforms.
- An exclusive 10-minute speaking slot during the event to address and engage with a distinguished audience and an exclusive 10-minute slot to deliver your presentation and showcase your organization's offerings to the audience.
- Five complimentary delegate passes to the conclave
- Featured logo placement across key event collaterals and digital displays during session intervals and breaks.
- Exhibition opportunity
- Special recognition during both the inaugural and closing ceremonies.

2. Main Sponsor (INR 30 Lacs + GST)

- Esteemed recognition as the Main Sponsor of the event
- Prominent brand visibility across all event collaterals and platforms.
- An exclusive 10-minute slot to deliver your presentation and showcase your organization's offerings to the audience.
- Three complimentary delegate passes to the conclave
- Featured logo placement across key event collaterals and digital displays during session intervals and breaks.
- Exhibition opportunity
- Recognition during the closing ceremonies.

3. Co-Sponsor (INR 20 Lacs + GST)

- Esteemed recognition as the Co-Sponsor of the event
- Prominent brand visibility across all event collaterals and platforms
- Two complimentary delegate passes to the conclave
- Exhibition opportunity
- Recognition during the event proceedings.

4. Associate Sponsor (INR 10 Lacs + GST)

- Esteemed recognition as the Associate Sponsor of the event
- Prominent brand visibility across all event collaterals and platforms
- One complimentary delegate passes to the conference
- Exhibition opportunity

Delegate Registration

Early Bird Discounts

Till 30th June 2025 – INR xxxx

1st July 2025 Onwards – INR xxxx

Exhibition Stall Pricing

Stall Name	Stall Size (sq.m.)	Furnished Stalls	Bare Stalls
Basic Stall	6 sq. m.	INR 100,000	INR 90,000
Small Stall	9 sq. m.	INR 120,000	INR 110,000
Standard Stall	12 sq. m.	INR 150,000	INR 140,000
Medium Stall	18 sq. m.	INR 210,000	INR 200,000
Large Stall	24 sq. m.	INR 240,000	INR 220,000

About ICFA

The Indian Chamber of Food and Agriculture (ICFA) is the apex body in India dedicated to advancing business, policy, and developmental agendas within the food and agriculture sectors. Serving as a global platform, ICFA plays pivotal role in agro trade facilitation, policy advocacy, technology and agribusiness services. ICFA's proactive approach helps identify and address critical challenges facing Indian agriculture while opening new avenues for national and global partnerships, agro-ventures, investment and international trade. By actively engaging with its various Industry Working Groups and Sector-specific Councils, ICFA amplifies the voice of key stakeholders, including farmers, trade and industry, both at the national and global levels.

ICFA is a leader in driving digital technologies, food and nutrition security, and agriculture sustainability. These efforts have garnered global recognition and strategic partnerships with esteemed organizations such as ICAR, APEDA, WTC, University of California, and many other international entities. With a mission to catalyze agribusinesses and agritech startups, ICFA strives to leverage international collaborations to mobilize technologies and investments.

In less than a decade since its inception, ICFA has signed MoUs with over four dozen national and international organizations, reinforcing its position as a knowledge-driven platform, working in partnerships for sustainable growth in the agriculture sector. ICFA is committed to cultivating a thriving ecosystem for entrepreneurship, which holds immense potential for economic growth, sustainable development, and global food and nutrition security.
